RE: HIGH QUALITY PAINTING

Our sincere thanks for your professionalism and outstanding workmanship, during the painting of our new house.

The quality of the finish, both inside and outside, is perfect. Your ability to assist with colour selection, and our special requests was much appreciated.

The attention to detail and the team's prompt work was excellent. Nothing was ever too much trouble.

We will be recommending HIGH QUALITY PAINTING to our friends and colleagues, and would be pleased to speak on your behalf at any time.

Thanks again!

MARK BERETTA.
